'Misery Guts' Mural

The senior class have been putting a lot of effort into their English and Creative Arts unit on 'Misery Guts' by Morris Gleitzman. Our classroom now has a very creative mural on the back wall which we will continue to update as we progress through the book. The students should be commended on a fabulous effort, working independently and in small groups.

Remembrance Day 2013

Our students conducted their own Remembrance Day Assembly on Monday 11th November. The year 6 students each spoke to the school, delivering The Lord's Prayer, In Flander's Fields, The Ode and a short description of the importance of the day. The junior class completed some activities based on 'The Quest for Courage' book and created wreaths and crosses for the assembly.
