MOBILE LIBRARY

The Mobile Library van will be in Tarcutta this Friday 16th October.

SUMMER

As we head towards spring/summer and more sunshine the school policy of “No Hat, No Play” will apply. Students are required to wear a wide brim navy blue hat. No Caps. Children are also encouraged to have their water bottle in class so they can stay well hydrated. Research has shown that small, frequent drinks of water are beneficial to concentration. Children remove their jumper as the day warms up. Please reinforce with your child that they should put their jumper straight in their bag. Jumpers without names on them are placed on the wooden bench in the hallway.

TRANSITION

Please note on Thursday 19th November and Thursday 26th November Transition will be full days. The 26th November will be the last transition day for 2015. On these two days the children can come at 9am and be picked up at 3.25pm. Please ensure that you pack morning tea, lunch and a drink for your child.

TESTING

Mr Carroll has been enjoying his first week at school testing the students and being pleasantly surprised at how capable the students are. The students who have progressed the most have been the same students who regularly returned their reading folders and other homework during terms 2 and 3. The biggest area for future improvement will be the students comprehension of their reading. Parents can assist with this process by asking their child to explain what they have read after shutting their home readers.

HOMEWORK

Mrs Kennedy and Mr Carroll look forward to the homework being returned on Fridays. Mr Carroll does try to mark the homework over the weekend and enjoys reading all of the extra writing that some of the students do in their free time.

PROGRESS TESTING

Mrs Kennedy plans to test the hardworking students on Fridays with their spelling, writing and maths. We look forward to the students achieving or surpassing their learning expectations.

Open Garden Bundarbo Station

Sunday 15 November, 2015
8am to 5pm

Bundarbo Station

Dating originally to 1823, Bundarbo Station sits on a glorious stretch of the Murrumbidgee River.

Edna Walling visited the garden over a number of years and her hand can be detected in the encircling stone walls that delineate the inner garden from the historic outbuildings.

The driveway of E. Mannifera leads to extensive parklands, magnificently restored and expanded in more recent years. Roses, lavender beds, an olive grove, orchard and herb garden create a tranquil and beautiful space where time stands still.

All proceeds will support
