MOBILE LIBRARY

The Mobile Library van will be in Tarcutta this Friday 30th October.

SUMMER

As we head towards spring/summer and more sunshine the school policy of "No Hat, No Play" will apply. Students are required to wear their own wide brim navy blue hat. No Caps. We discourage children from sharing hats. Children are also encouraged to have their water bottle in class so they can stay well hydrated. Research has shown that small, frequent drinks of water are beneficial to concentration.

TRANSITION

Please note on Thursday 19th November and Thursday 26th November Transition will be full days. The 26th November will be the last transition day for 2015. On these two days the children can come at 9am and be picked up at 3.25pm. Please ensure that you pack morning tea, lunch and a drink for your child.

HOMEWORK

Mrs Kennedy and Mr Carroll look forward to the homework being returned on Fridays. Mr Carroll does try to mark the homework over the weekend and enjoys reading all of the extra writing that some of the students do in their free time. Students should practise their spelling and reading every night and should be recorded on the sheet. Other home activities may include watching and talking about the news, and doing lots of drawing.

World Trade News

India Props up Chick Pea Boom—By Will

India is making the price of chickpeas higher.

The government has told traders to sell all of their chickpeas in India. Now they have run out and prices have gone up. The price has gone up to \$780 a ton. In the middle of November India is going to start their harvest of chickpeas. This affects Tarcutta because there are chickpea harvests across Tarcutta, Ladysmith and Wagga.

Live Export Cattle Bound for China—By Nick

The good news for Tarcutta beef farmers is that prices have gone up because more live stock is being sent to China for their herds. The bad news is that you have to pay more money for livestock.
