## Principal's Note

Did you see our **drumming** on our FaceBook page? Wow! Our first lesson with Maryanne and Felix was amazing! A big thank you to Wagga Wagga City Council for inviting us to be a part of this program. Each Friday we will be learning new rhythms and patterns in our drumming.

In the coming weeks we have a few events that we know our students are going to love. On Tuesday 12th November we are going to Kapooka PS as part of our Wagga Wagga Community of Small Schools' group (WWCoSS) to participate in an **Aboriginal Cultural Day**. We have received a grant to help cover the cost of the bus for this day. The Kapooka P&C have organised a lunch order for the students so if you would like to order that please fill in the form and return it with the money.

Our **K-2 students** are off on their big **excursion** for the year to the Riverina Environmental Education Centre as part of their learning of Living Things in science. This will be on Wednesday 13th November. Thank you to our wonderful P&C who are covering the cost of the bus and the entry to the centre for our Infants students.

In a few weeks time we will be participating in the **Tarcutta Garage Sale** by hosting a **Cake Stall**. Start thinking about what you can cook and how much time you can donate to our P&C on the day. Our families always cook the most delicious things so I can't wait to see what we come up with this time.

Our next **2020 Kindergarten program** day will be tomorrow from 9am-12pm. Please bring fruit and morning tea. We are going to extend this program for some additional days to give our new kindies a great start to their school experience. Check out the dates on the calendar.
