Fri 1 March	Boys' Soccer (Yrs 3-5)
-------------	------------------------

Week 6

Mon 4 March	District Swimming— Selected swimmers only
-------------	--

	Gymnastics
--	------------

Principal's Note

Gymnastics started yesterday with our coaches Ben and Amelia with everyone have a great time and learning some new skills. Building spacial awareness, listening to instructions, forming body shapes as well as skill development were all on show. Check out our Facebook page to see some of the photos.

The school has a **Facebook** page. It is only to be used as a form of communication where we will keep you updated with things that have been happening at school or things that are coming up. It's not really a place to comment but we are happy for you to like our photos. We follow the Department of Education Social Media policy and inappropriate comments will not be accepted. This Facebook page was great during the excursion to share what we were up to and we will post a couple of photos each week to show you what we are getting up to here at school. Please remember that students under the age of 13 are not allowed on Facebook.

Thank you to everyone who attended the **P&C** AGM yesterday. The new committee is:

President—Jenny Wolter

Vice President—Melissa Meyers

Secretary—Sue Hardwick

Treasurer—Sue Belling

The next meeting will be on **Monday 11th March** at 3pm where school jackets will be one of things discussed.

Students in Years 1-3 have taken home **Home Readers** over the last 2 weeks. Please ensure these are brought back in everyday so your child can bring home new books. Kindergarten are just learning to read and don't have Home Readers just yet.

The **Mobile Library** is back on Friday. Please ensure your library books are returned and in the box.

Primary Swimming Carnival—This is only for students in Years 3-5, plus any student who is turning 8 this year who can confidently swim 50m in a race. Students need to meet Miss Post at the pool. All Infants students and students not attending the Swimming Carnival will come to school as normal.

Next Wednesday evening there is a **Parent Information Evening**. This is a great chance to come and see what your child will be learning this year and to ask any questions you might have. The night starts at 6:00pm

Education

Check us out online:

www.tarcutta-p.schools@det.nsw.edu.au

Please ensure that your child has a navy **school bucket** hat as the temperature continues to scorch us we want everyone well protected from the sun.

Bluearth started last Wednesday with our coach Sarah. Bluearth is a combination of PE and sports coaching and skill development mixed with mindfulness training and social skill development. Having a healthy mind is just as important as having a healthy body.

Happy birthday to Beau who had his birthday on Friday.

Kirrilee Post, Principal

Mixed Netball for the Community

Mixed netball is back for 2019 and everyone is welcome to come along and have some fun. Netball is on Wednesday nights from 6:30pm. Contact Jaz for more information on 0429575532 or just show up. It is just a gold coin donation and you will be put in a team when you arrive.

Primary Sport

Over the next month there are a few sports on offer for the primary students.

1. Community of Small Schools' Swimming carnival. Students must be in Year 3 or above (or 8 and above if they can correctly swim the freestyle for 50m without stopping).
2. Soccer—for both boys and girls.

Notes about these sports will be coming out soon.

Family Feedback is always welcome

We know the quality of the relationship between families and schools has a direct impact on student wellbeing and educational outcomes.

There will be times when parents and carers want to ask a question, raise an issue or make a complaint about our school and it can be hard for families to know where to start. The Department of Education has put together a short video, produced in consultation with many schools, to help families find the right person if they have a question or want to raise an issue, make a complaint or provide a compliment. The video encourages families to contact their school or the department early and in a positive way to help resolve any issues together.

<https://education.nsw.gov.au/about-us/rights-and-accountability/complaints-compliments-and-suggestions/guide-for-parents-carers-and-students>

We encourage you to contact the school to talk about your concerns, as most problems can be solved by talking to the people who best know your child. Just contact the office for an appointment.
