Principal's Note

Thank you to all our wonderful parents and members of the community who joined us yesterday for the annual **Book Fair and Parade**. The students all looked wonderful dressed up as their favourite book character. Congratulations to Bonnie, Tara, James and Vidhi who won the best dressed competition, winning themselves \$15 worth of goodies from the Book Fair. Everyone else took home a little prize for participating in the day. I'm sure that there would have been a lot of reading of new books last night. A special thank you to community members: Marilyn Starr and Doreen Candish who came along and donated 2 new books to our school library. We thank you and will put a donation certificate in the front of the books so the children will always remember your generosity. The theme for Book Week this year is that Reading is my Super Power and it is always a joy to see our students loving reading and learning.

The **P&C Wood Raffle** will be drawn next Friday. Thank you to everyone who has returned their tickets and taken a second book.

Today our students enjoyed visiting **Puggles** and reading with the next generation of Tarcutta Public School students. We read books together and played maths games. **Parent Information night for new parents** will be held at the end of the term—Monday 23rd September. Please let anyone who might be enrolling a child next year to contact the school for more information.

In **health** this week we have been discussing worries and some strategies we could use if we are feeling worried. We learnt that everyone carries worries but we can share them with others to lighten our load.
