LIDS FOR KIDS

We are currently collecting plastic lid bottles to donate to Envision Hands who are a not-for-profit organisation who are using recycled plastic lids to make prosthetic limbs for disabled children using 3D printing. So start sending in your lids. We are collecting them until the end of the term.

Principal's Note

Welcome to the last week of Term 3. **School holidays** start on Monday and students return for Term 4 on **Monday 14th October**—there is no School Development Day so students and staff come back on the Monday.

On Friday our Primary students are heading in to a **Cricket Gala Day** with our friends from the WWCoSS. Mr Holloway from Kapooka has coordinated the day.

A **Parent Information Night** for next year's Kindergarten students was held on Monday night and it was lovely to meet our new parents and kindy kids for next year. **Kindergarten orientation** starts on **Wednesday 16th October** at 10am and continues for three weeks.

Summer uniforms will be required next term. Now is the time to get yourselves organised. All students must have a wide brimmed hat or bucket hat that is navy in colour as we have a no hat no play rule. All shorts are to be navy, socks are grey and shoes are black. If wearing the summer dress girls need white socks with their black shoes.

We had a wonderful day last Friday at Uranquinty for the **resilience building program** and **touch football** gala day with our WWCoSS schools. The day started with a magic show where we learnt about never giving up, bouncing back, building resilience and learning from your mistakes. We then played a few games of touch football.

Thank you to everyone who has been donating **plastic lids** for our charity for this term. Keep them coming in so we can send them off to have them recycled into prosthetic limbs.
