Wed 9 Dec	Presentation Ceremony 9am

Week 10

Wed 16 Dec	Pool Party at Adelong
------------	-----------------------

Reminders

Return to School

Swim School Permission Notes

Principal's Note

Dear parents and caregivers,

WWHS Orientation for Year 6

The WWHS have postponed their orientation day until next Tuesday.

Jackie French Virtual Excursion

As part of our learning in English we are going to be joining a virtual excursion today to listen to Australian author Jackie French.

CWA Microscope Day—Wed 2 December

The Uranquinty CWA have obtained a special microscope that has a very strong lens. They will be bringing it to Tarcutta on Wednesday 2 December for us to use. We will be exploring our school grounds to find things we can examine under the microscope.

Kindergarten Orientation—Final day

Our final day for Kindergarten orientation will be Wednesday 2nd December.

Yr 5 Leader's Speeches

Our Year 5 students spoke to the entire school on Monday and were able to share the qualities they have which they think will make them a deserving school leader. The announcement of school captains and leader will occur at our Presentation Ceremony next week.

Swim School

Swim School starts in next week. Please start getting organised by finding swimmers, towels and thongs. There will be no ordered lunch on Tuesday.

Education

Check us out online:

www.tarcutta-p.schools@det.nsw.edu.au

Year 6 Graduation and Farewell

The Year 6 Farewell will be held on Tuesday 8th December. We will meet at 5:30pm at Collins Park for a group photo and then go to the farewell. All our WWCosS friends will meet us for the photos. The Farewell will begin at 6pm. Due to current COVID restrictions students will need to be dropped off at the top of the stairs going into the club. Parents from the other schools have booked tables inside the RSL club to have dinner with their families while they wait for their Year 6 child and you are welcome to do the same if you would like. There will be a staggered pick up time to meet your child out the front of the RSL club at the end of the evening. I will let you know what time that will be on the night.

Presentation Ceremony

Thank you to everyone who has responded to the survey we put out about the end of year Presentation Ceremony. A lot of schools are sticking with a live stream, we are trying to be able to get some parents on site. Unfortunately there is no way we are going to be able to cater for everyone's preference or ideas, but please know that we have tried. After looking at everyone's surveys, talking with staff and our school director our current plan is to move it to Wednesday morning at 9am under the COLA before it gets too hot and we head off to swimming. For those parents who aren't able to attend due to work commitments we will film it so it can be watched at a later date. Due to the size of our COLA we can only have 2 people from each family come and watch. There will be chairs placed under the COLA and parents will be asked to stay seated. Any young children who attend will need to remain with their parents

inside the 4m² space and will need to remain seated, they can't go off and play on the equipment. Everyone attending will have to sign a declaration saying they don't have any signs or symptoms of COVID-19 and they will need sign a register (so please bring your own pen). We thank you for your understanding and look forward to sharing the many successes from this year with you.

Class Pool Party—Wed 16 Dec

Permission notes will be sent home next Monday regarding our end of year class pool party at the Adelong Pool. Please return this note to the office by Friday 11th December.

Current Restrictions

Please ensure your child has a water bottle everyday.

If your child is unwell please ensure that you keep them at home. If they have had any symptoms you will need to provide a negative COVID test before they can return to school.

Kirrilee Post, Principal
