Tues 2 Nov	Bike Week– bring your bike to school
Wed 3 Nov	Kindergarten Orientation 9am-1pm
Fri 5 Nov	Mobile Library
	Bluearth with Eli
	Senior Psychologist Glenn Randyl is visiting

Week 6

Reminders

Return to School

Principal's Note

Dear Parents and Caregivers,
Welcome to Week 4.

National Bike Week

Today we celebrated National Bike Week by riding our bikes to school. We had a wonderful time riding on the Pump Track over at the park. We may need to work on our fitness a little bit as we got puffed rather quickly. It was a wonderful way to start our Tuesday morning.

Check-In Assessments

Last week all of our Primary students have participated in the department's Check-In Assessment tests. You may recall that we had access to this tool in Term 1 and 2 and now we are following up to check student growth and achievement in the last six months. Well done to all our students for their growth in learning. We are very proud of you.

Tell Them From Me surveys

Students in Yr 4-6 will be participating in the TTFM survey. It asks our students a series of questions about how they feel about their school and their sense of belonging. All students K-6 have also completed some wellbeing surveys which is important to us to help support your child with their wellbeing. We are also sending home a parent survey and are looking for your point of view on how your child is going and how the school is supporting them. To access the parent surveys please enter the following into your computer or phone. <http://nsw.tellthemfromme.com/thw2b>

School Counsellor support

This Friday our Senior Psychologist Glenn Randyl will be visiting the school to meet with staff and to have a look around the school.

Kindergarten 2022 Orientation Program

We are currently taking enrolments for 2022 and all students who live in our school zone are invited to come and touch base with our amazing school. Supporting a strong and successful transition to school improves children's educational and social outcomes. With this in mind Mrs Lustenberger and Miss Larwood have prepared a comprehensive transition to school program which mirrors what big school will be like for our new students so they can hit the ground running next year. These procedures ensure that we can engage with and build relationships with children, families and our community by offering multiple opportunities for everyone to feel a sense of belonging to the school and allow staff to learn about what the children know and can do already. Tomorrow is our next Kindergarten Orientation session. It goes from 9am-1:15pm. Please send your child with a hat, a piece of fruit, morning tea, lunch and a drink bottle. A teacher will meet you at the gate for both drop off and pick up.

Hat Time

A big thank you to everyone who has found their wide-brimmed legal hats. In Term 4 we operate a No Hat No Play system in the playground. Please take the time this week to find your hats and bring them to school everyday. They must be legal hats (bucket hat or wide brim hat).

Bluearth Returns

This Friday we will be able to resume our face to face Bluearth sessions. Eli will be here for this. Please ensure you have a hat and a drink bottle.

Fees in Advance

As a number of experiences have been postponed this year we had kept any money for these projects, like the Touch Football Day. This money has now been placed into Fees in Advance for future activities. Parents are receiving a receipt today that shows the cancelation of the receipt from these activities and the placing of money into Fees in Advance. You can access this money for future events like Swim School. At the end of the year if you haven't used these funds they can either be returned to you or rolled over for next year.

Assistant Principal, Curriculum & Instruction

Last week the panel met for the Assistant Principal, Curriculum and Instruction position but we were unsuccessful at taking any candidates through to interview. We are now looking at our options for this role for 2022 and will keep you in the loop.
